

The program is designed for TSU undergraduate, graduate and post-graduate students.

TSU students have an opportunity to get acquainted with all university museums, their history and collections; they can take part in cultural activities and events; visit exhibitions organized by university museums and musical concerts arranged by students and professors of the TSU Institute of Arts and Culture. Proactive students may get involved in organization and hosting of events as volunteers of the TSU Museum Center.

All kinds of academic and cultural activity of the TSU Museum Center give students a chance to adhere to university traditions and feel spiritual kinship with dozens of university alumni.

Cultural Program for TSU students

Cultural activities for university students

1. Series of excursions "Panorama of TSU museums"

The excursions are held mainly for the first-year students including all modes and majors but other students are invited as well.

The excursions are organized on request of faculties and institutes at any time convenient for students.

2. Series of cultural events "Guardians of Inheritance"

"Guardians of Inheritance" are cultural events which acquaint university students with famous persons in the university history.

You can see the reports
of the past events virtually

You can read about the previous
meetings on the site
of the TSU Museum Center

3. Series of events "Shirt-sleeve Meeting"

Events introduce outstanding scientists, founders of scientific schools, university heads who achieved significant success in career.

In a friendly and relaxed atmosphere the participants of these meetings share stories about their student years, their university professors, professional path, creative activities and the role of the university in their lives.

4. All-Russian and citywide events

Three times a year the university museums join all-Russian and citywide events "Museum Night", "Tomsk Citizen Day" and "Saturday at TSU Museums" and open their doors to Tomsk residents and city visitors.

University students have an opportunity to visit museums, as well as different interactive events in the Culture Center of TSU.

5. Concerts and exhibitions

University students have an opportunity to visit

- exhibitions of university museums, Research library and Institute of Arts and Culture
- concerts arranged by students and professors of the Institute of Arts and Culture
